One of the smallest crews at Santa Rita Landscaping, these two employees are the soul of the Maintenance Improvements Crew! They have taken the lead with installation of improvement sales, tackling and completing every job with enthusiasm and SRL professionalism. From the onset of establishing an Improvements Crew, Ralph and Jesus set the tone for the quality and completeness of each project sold. They often “up-sell” on the job offering additional suggestions that have resulted in extra sales, not just for Maintenance but for other Divisions as well! Numerous compliments have been received regarding their courtesy and the quality of their work. Quick smiles and hard work best describe Ralph and Jesus!

*Thank you... and keep up the GREAT work!*
