

Certificate of Appreciation

Presented to

Ed Encinas

Employee of the Month

March 2008

Presented by Santa Rita Landscaping

Over the last 4 months, Ed has completed the Robson models which were very high-end custom models, beautiful quality work, and jobs completed on time. Now he's working on a job in Laveen, AZ. Ed does outstanding work, leads his crew to do outstanding work, never complains, and is willing to do extra at any time. AWESOME!
